

The MENU in ENGLISH

Dear customer,

welcome to our restaurant. We hope, you will enjoy our hospitality and the meal.

It corresponds well with our oriental temper to talk with nice people without any prejudices while we are eating together.

It makes no difference whether you are a muslim, christian, buddhist, atheist or whatever – as long you are nice and friendly we are relatives in mind and soul.

So, if you have any improvement suggestions, don't be shy to tell us. We want you to have a good time at the Mesopotamia and it would help us to correct the shortcomings.

One last thing: Sorry for our English. We are no native speakers, but we are trying hard to be understandable. So laugh about our poor abilities and tell us, where we can do better.

Thank you for dropping by and Bon appetit!

Sinan and Gülbar Coskun
